### About NFI

NFI is a leading independent global bus and coach manufacturer and a provider of aftermarket parts and service solutions. With more than 9,000 team members across ten countries and operations spanning over 40 facilities, NFI delivers a comprehensive portfolio of bus and coach platforms.

Through its brands New Flyer® (heavy-duty transit buses), MCI® (motorcoaches), Alexander Dennis Limited (single- and double-deck buses), ARBOC® (low-floor cutaway and medium-duty buses), and NFI Parts™, NFI supports a diverse and extensive portfolio, serving public transit, commuter, and coach markets. In total, NFI supports an installed base of more than 100,000 buses and coaches worldwide. NFI offers a broad range of propulsion systems, including zero-emission electric (referring to propulsion systems that do not utilize internal combustion engines, such as trolley, battery, and fuel cell), natural gas, electric hybrid, and advanced diesel technologies, providing agencies with multiple fleet technology options. NFI's common shares trade on the Toronto Stock Exchange (TSX: NFI) and its convertible unsecured debentures trade under the symbol NFI.DB.
